Tell me now...
Because i need it
Tell me now...
'Cause i need to know (X6)

I cannot wait to meet you tonight
I cannot wait to meet you tonight
If you can come sooner,
please do it!
I cannot breath away from you!

I cannot wait to meet you tonight
I cannot wait to meet you tonight
If you can come sooner,
please, please do it!
I cannot breath away from you!

I cannot breath away from you!

Tell me now...
Because i need it
Tell me now...
'Cause i need to know (X6)
