When you're running and you see
That I'm waiting here for you
It seems that I'm crazy,
Yes, I am
Just because I'm feeling in your hands

Please don't let me loose your heart
Just keep me inside your arms
I wanna falling asleep with you
I wanna feel my self in you

And I was thinking, in my life,
That you gonna be in my life
I wanna live you in my life
I wanna feel you in my life

In my life

In my life

In my life
