"Deep In My Mind"

Parole e musica: Lorenzo Forti

When I try to fall asleep
I can just fullfill my dreams

If you can catch me on the stars
That I wanna fall apart!

You are just inside my mind,
So please don't wake me up!

Because everything I done,
Would have just be for fun!

Deep in my mind,
Deep in my mind,
Deep in my mind,
Deep in my mind!
