"FOLLOW THE LOVE"

Parole e musica: Lorenzo Forti

When you are with me...

When I look into your eyes,

I see you with me!

You are always here,

you are always here with me...

I am not alone!

RIT: Then follow the love! (x8)

Now that you're gone.

Your presence is missing in me.

I can not do anything

When you come back...?

Now I'm waiting for you...!

Now I can feel you!

RIT: Then follow the love! (x8)
